

All plans and specifications for any accessory structure to be erected on any Lot must be submitted in writing to and approved by the Architectural Control Committee in accordance with the provisions of these covenants and the addition or construction of any accessory structure shall not be commenced until such plans and specifications have been submitted and approved.

Section 11. Drainage and Erosion; Sewer Lines. Catch basins and drainage areas are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or occupant of a Lot may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow. Declarant further reserves an easement across all Community property for the purpose of relocating sewer lines (and related easements) to comply with applicable governmental requirements or as necessary to promote efficient construction of homes (as determined in the sole discretion of Declarant). The reserved easement regarding relocation of sewer lines shall terminate upon the date that the acceptance of a particular sewer line for dedication becomes final and unconditional. Rights exercised pursuant to such reserved easements shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense. There is hereby reserved to the Declarant and the Association the right to take whatever action either deem necessary to prevent erosion within the Community including, without limitation, planting trees, plants and shrubs and providing drainage ways and dams.

Section 12. Clotheslines. No outside clotheslines shall be placed on any Lot.

Section 13. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Association; except that the Declarant shall have the right to replat any Lot or Lots with the consent of the Owner thereof. Any such division, boundary line change, or replatting shall not be in violation of applicable subdivision and zoning regulations.

Section 14. Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Architectural Control Committee. The Architectural Control Committee may issue guidelines detailing acceptable fence styles or specifications, but in no event may a

chain link fence or hog wire fence visible from any street be approved.

Section 15. Air Conditioning Units. No window air conditioning unit may be located in any part of any residence or accessory structure which is visible from any street, and all exterior compressor units shall be ground mounted and screened by fencing or planting of a density and height to hide the unit effectively. The location of such exterior compressor units and such fencing or planting shall be approved by the Architectural Control Committee.

Section 16. Building Material Storage. No lumber, bricks, stones, cinder blocks, scaffolding, mechanical devices, or any other materials or devices used for building purposes shall be stored on any Lot except for purposes of construction of a residence or accessory structure on such Lot. Such building materials or devices may not be stored on any Lot for longer than the length of time reasonably necessary for the construction of the structure for which such materials or devices are to be used.

Section 17. Above-Ground Storage. No exposed, above-ground tanks for the storage of fuel, water or any other substance shall be placed on any Lot other than apparatus relating to solar energy; the location and design of which shall be approved by the Architectural Control Committee.

Section 18. Parking. Adequate off-street parking shall be provided for each Lot.

Section 19. Trash and Garbage. All containers for garbage and other refuse shall be placed underground or in screened sanitary enclosures and no incinerators shall be used for the disposal of garbage, trash or other refuse.

Section 20. Garages. All garages must have doors which shall be coordinated with the design of the residence.

Section 21. Foundations. All exposed foundations must be stuccoed or brick unless otherwise approved by the Architectural Control Committee.

Section 22. Vents. No plumbing or heating vent shall be placed on the front side of the roof of any residence or accessory structure.

Section 23. Construction and Repair. Each Owner of a Lot shall assume responsibility for the risks associated with any construction on his or her Lot and any damage that may occur to streets or curbing resulting from the construction on such Lot.

Repairs for any damage incurred must be made within thirty (30) days after the completion of construction on the Lot.

Section 24. Minimum Dwelling Size. Exclusive of garages, carports, porches, terraces, basements and bulk-storage areas, the enclosed heated living area of all residences shall contain not less than 2,400 square feet.

Section 25. Water Supply. No individual water supply system shall be permitted on any Lot without the prior written approval of the Architectural Control Committee. If approval is given for such system, it must be located, constructed and equipped in accordance with all applicable requirements, standards and recommendations of federal, state and local public health authorities. All necessary approvals of such system as installed shall be obtained from the required authorities at the sole cost and expense of the Owner of the Lot to be served by such system.

Section 26. Septic Tanks; Sewer Lines. Each Lot, prior to the completion of a residence thereon, shall contain dry sewer lines installed in accordance with the applicable provisions of the standards for Residential and Commercial Development in Cobb County, Georgia as in effect on the date of completion of such residence, unless an exemption is obtained from the appropriate Cobb County authorities. Each residence shall be connected to public sewer when sewerage lines are available for connection at the sole cost of the Owner thereof.

Section 27. Recreational Equipment. No recreational or playground equipment shall be placed or installed on any Lot which is visible from the street abutting such Lot.

Section 28. Mailboxes. All residences in the Community shall have standard black metal mailboxes conforming to postal regulations and the guidelines for such mailboxes adopted by the Architectural Control Committee. Mailboxes will be consistent throughout the community.

Section 29. Entry Features, Street Signs and Buffers. Owners shall not alter, remove or add improvements to any entry features, street signs or no-access buffer areas located on any Lot without the prior written consent of the Architectural Control Committee.

Article VII
Insurance and Casualty Losses

Section 1. Insurance on Common Property. The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Property and the entry features, if any, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

The Board shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars.

The Board is hereby authorized to contract with or otherwise arrange to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof, and Declarant shall be authorized, but not obligated, to purchase such insurance coverage for the benefit of the Association and the Owners upon Declarant and Association agreeing upon the terms and conditions applicable to reimbursement by the Association for costs incurred by Declarant in obtaining such coverage. Notwithstanding anything contained in this Declaration to the contrary, the Board shall not be required to comply with the provisions of this Article if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefitted parties, as further identified in subparagraph (b), below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company authorized to do business in Georgia.

(b) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(c) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

(d) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the county where the Community is located.

(e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following;

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(iii) that no policy may be canceled, invalidated, or suspended on account of any one or more individual Owners;

(iv) that no policy may be canceled, subjected to nonrenewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that no policy may be canceled, subjected to nonrenewal or substantially modified without at least thirty (30) days' prior written notice to the Association.

In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the directors' best business judgment, and, if available, shall at least equal three (3) months' assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled, subjected to nonrenewal or substantially modified without at least thirty (30) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

Section 2. Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risks casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt on or before the expiration of any policy. If the Association does acquire insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Unit as a specific assessment.

Section 3. Damage and Destruction -- Insured by Association.

(a) In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five (75%) percent of the total Association vote and the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof) otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Association's members, levy a special assessment against all owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or

destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

Section 4. Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board of Directors shall have all enforcement powers specified in Article XII, Section 1, of this Declaration.

Section 5. Insurance Deductible. The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

Article VIII
Condemnation

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five (75%) percent of the total Association vote other than Declarant and the Declarant (so long as the Declarant has an option unilaterally to subject property to this Declaration as provided in Article IX hereof) shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provisions of Article VII, Section 3, above, applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

Article IX
Annexation of Additional Property

Section 1. Unilateral Annexation By Declarant.

(a) As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until five (5) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "C", attached hereto and by reference made a part hereof to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Office of the Clerk of the Superior Court of the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of then Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

(b) The rights reserved unto Declarant to subject additional land to the Declaration shall not and shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. Other Annexation. Subject to the consent of the owner thereof and the consent of the Declarant (so long as the Declarant has an option to subject additional property to this Declaration as provided above) upon the affirmative vote of a majority of the Association vote present or represented by proxy at a meeting duly called for such purpose, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the office of the Clerk of the Superior Court of the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be signed by the President and

Secretary of the Association, and any such annexation shall be effective upon the filing for record of such Supplementary Declaration, unless otherwise provided therein.

Article X
Mortgage Provisions

The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

Section 1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot number), (therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Lot of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of Mortgage holders.

Section 2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation (The Mortgage Corporation), the following provisions apply in addition to and not in lieu of the foregoing. Unless two-thirds (2/3) of the first Mortgagees or Owners other than the Declarant, give their consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection) other than personal property of the Association;

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner;

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Lots and of the Common Property (The issuance and amendment of architectural standards, procedures, rules, and regulations or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this subsection.);

(d) fail to maintain insurance, as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Property losses for other than the repair, replacement, or reconstruction of such property.

Nothing contained in this Section 2 shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration for any of the acts set out in this Section 2.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 3. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Section 4. Notice to Association. Upon request, each Lot Owner shall be obligated to furnish to the Association the name

and address of the holder of any Mortgage encumbering such Owner's Lot.

Section 5. Amendments by Board. Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

Section 6. VA/HUD Approval. As long as the Declarant has an option unilaterally to subject property to this Declaration as provided in Article IX, the following actions shall require the prior approval of the Veterans Administration ("VA") so long as the VA is guaranteeing any Mortgage in the Community, and the Department of Housing and Urban Development ("HUD") so long as HUD is insuring any Mortgage in the Community: annexation of additional property to the Community, except for annexation by Declarant in accordance with Article IX, Section 1 hereof pursuant to a plan of annexation previously approved by the VA or HUD as the case may be; dedication of Common Property to any public entity; and material amendment of the Declaration, By-Laws or Articles of Incorporation.

Section 7. Applicability of Article X. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Georgia law for any of the acts set out in this Article.

Section 8. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

Article XI Easements

Section 1. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not

more than five (5) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, tenant, or the Association.

Section. 2. Easements for Use and Enjoyment.

(a) Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property which shall be appurtenant to and shall pass with the title to his Lot, subject to the following provisions:

(i) The right of the Association to charge reasonable admission and other fees for the use of any portion of the Common Property, to limit the number of guests of Lot Owners and tenants who may use the Common Property, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, his family, tenants, guests, and invitees;

(ii) the right of the Association to suspend the voting rights of a Lot Owner and the right of an Owner to use the recreational facilities available for use by the Community, if any, for any period during which any assessment against his Lot which is hereby provided for remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, By-Laws, or rules and regulations;

(iii) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant, or any Lot or Lot Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Lot Owner encumbering any Lot or other Property located within the Community (Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of

Declarant, or any Lot or Lot Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Lot Owner encumbering any Lot or other property located within the Community.); and

(iv) the right of the Association to dedicate or transfer all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by at least a Majority of the Association vote present, or represented by proxy, at a meeting duly called for such purpose and by the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof).

(b) Any Lot Owner may delegate his right of use and enjoyment in and to the Common Property and facilities located thereon to the members of his family, his tenants and guests and shall be deemed to have made a delegation of all such rights to the occupants of such Owner's Lot, if leased.

Section 3. Easements for Utilities. There is hereby reserved to the Declarant and the Association blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited, a master television antenna system, cable television system, or security system which the Declarant or the Association might decide to have installed to serve the Community. It shall be expressly permissible for the Declarant, the Association, or the designee of either, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, cables and other equipment related to the providing of any such utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Board shall have the right to grant such easement. In addition, Declarant shall have the right to relocate sewer lines as provided in Article VI, Section 11 hereof.

Section 4. Easement for Entry. In addition to the right of the Board to exercise self-help as provided in Article XII, Section 2, hereof, the Board shall have the right, but shall not be obligated, to enter upon any property within the Community for emergency, security, and safety, which right may be exercised by the manager, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective

duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. It is intended that this right of entry shall include (and this right of entry shall include) the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner or occupant fails or refuses to cure the condition upon request by the Board.

Section 5. Easement for Entry Features. There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction landscaping and maintenance of entry features for the Community, over and upon each Lot which is bounded by the right-of-way of Johnson Ferry Road or any other public thoroughfare. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around such entry features and the right to grade the land under and around such entry features.

Section 6. Easement for Maintenance. Declarant hereby expressly reserves a perpetual easement for the benefit of the Association, its successors, employees, agents and assigns across such portions of the Community, determined in the sole discretion of the Association, as are reasonably necessary to carry out the maintenance required under Article V hereof. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of Owners' property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Article XII General Provisions

Section 1. Enforcement. Each Owner and every occupant of a Lot shall comply strictly with the By-Laws, the rules and regulations, the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration and in the deed to his or her Lot, if any. The Board of Directors may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the By-Laws or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association, or, in a proper case, by an aggrieved Owner.

Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of violation of the Declaration, By-Laws, rules and regulations, use restrictions, or design guidelines and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose occupants are responsible) for violating the foregoing.

Section 2. Self-Help. In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon a Lot or any portion of the Common Property to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates this Declaration, the By-Laws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days' written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including reasonable attorney's fees actually incurred shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

Section 3. Duration. The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent permitted by law; provided, however, so long as Georgia law limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provisions shall be automatically extended for successive periods of ten (10) years, unless such extension is disapproved by the affirmative vote or written consent, or any combination thereof, of at least two-thirds (2/3) of the total Association vote and the consent of Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof). A written instrument reflecting disapproval must be recorded within the year immediately preceding the beginning of a ten (10) year renewal period. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Section 4. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure Mortgage loans on the Lot subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration as provided in Article IX hereof, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Lot Owner hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of at least two-thirds (2/3) of the total Association vote and the consent of the Declarant (so long as Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof). Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein.
